

NBC10 & UWRI team up for the Jefferson Award

Do you know a volunteer who has gone above & beyond the call of duty?

United Way of Rhode Island and NBC10 have teamed up to honor individuals who have made a difference in our community. So, if you know someone in Rhode Island or the greater New Bedford, Fall River, Attleboro and Taunton area who has inspired others to volunteer or who through a call to action has encouraged friends, co-workers, neighbors or family members to become involved, please nominate him or her to receive recognition.

[Click here](#) to make a nomination. See the NBC10/United Way promotional spot for the awards.

United Way and NBC 10 will highlight the winners and recognize those who would otherwise be unsung heroes. There's nothing more powerful than one person making an effort to improve lives.

Each year, The Jefferson Awards salutes extraordinary volunteers who have put that power to work.

The Awards, founded in 1972, honors individuals who via either community or public service affected the lives of those around us.

Tell us who in our community is making a difference? UWRI and NBC10 invite you to send in your nomination by [clicking here](#).
