

Payroll deduction allows an individual to make a significant impact in the community. Here's a sampling of what various giving levels could support through weekly payroll deduction:

WHAT CAN A DOLLAR BUY?

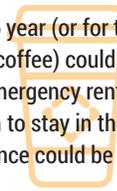

\$1

a week / \$52 year (or for the cost of a can of soda or a candy bar) could help two families get their taxes done for free, putting money back in their pockets, using the Volunteer Income Tax Assistance program.

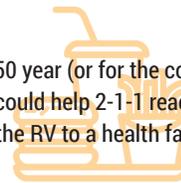

\$3

a week / \$156 year (or for the cost of a cup of store bought coffee) could help a struggling family with emergency rental assistance, allowing them to stay in their home. (In reality, rental assistance could be more or less, but every bit helps.)

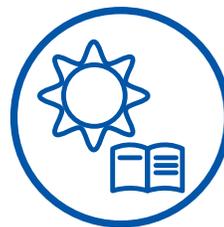

\$5

a week / \$250 year (or for the cost of one fast food meal) could help 2-1-1 reach more people by sending the RV to a health fair or Veterans home.

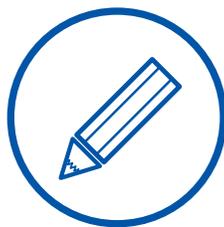

\$12

a week / \$625 year (or for the cost of a large pizza with toppings) could help pay the heat and electricity for an elderly neighbor.

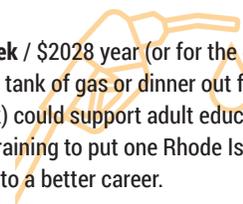

\$19

a week / \$1000 year (or for the cost of two movie tickets per week) could send one child to an amazing summer learning or afterschool program.

\$39

a week / \$2028 year (or for the cost of a large tank of gas or dinner out for two per week) could support adult education and job training to put one Rhode Islander on a path to a better career.
